DIRECTOR OF CENTRAL INTELLIGENCE
Committee on Imagery Requirements and Exploitation

30 NOV 1982

MEMORANDUM FOR: Daniel C. King
 Director of Logistics

SUBJECT: Request for Additional Courier Support []

25X1

REFERENCE: (a) Memo from D/OL to Chairman, COMIREX dated
 November 1982 (OL 25257)

(b) Memo from Chairman, COMIREX to D/OL dated
 13 October 1982 (BYE-2733/82)

1. I received your memorandum, Reference (a), indicating that you would be able to accommodate an additional product shipment starting on 29 November 1982. Since my memorandum of 13 October 1982, Reference (b), an alternative solution for our logistical support requirements has been identified and implemented. []

2. It appeared, from your original memorandum dated 30 September 1982 and preliminary conversations following your receipt of my memorandum (Reference B), that the Office of Logistics would not be able to provide the requested support. At this point, [] considering the additional shipment a desirable alternative to constant ad hoc shipments, offered to provide support for the 0930 shipment to both [] and []. The Chairman, OPSCOM accepted their offer and service was initiated on 3 November 1982. []
